

SOL Testing Resources
Matthew Maury Elementary School
April 9, 2018

Test Blueprints

http://www.doe.virginia.gov/testing/test_administration/index.shtml#development

SOL test blueprints provide specific standards covered by the test, number of test items in each reporting category and on the total test, and standards assigned to each reporting category.

Released Tests

http://www.doe.virginia.gov/testing/sol/released_tests/index.shtml

Released tests are representative of the content and skills included in the SOL tests and are provided to assist in understanding the format of the tests and questions.

SOL Pass

<http://www.solpass.org/>

Login Required: Maury ES (Alexandria) **Password:** acps

SOL Pass activities are intended to supplement classroom instruction by providing review of the specific concepts and information that students are likely to encounter on the SOL tests.

(Reading, Virginia Studies, Science)

Jefferson Lab (J-Lab)

<https://education.jlab.org/solquiz/>

J-Lab provides SOL practice tests; all of the questions on this site come from test materials released by the VDOE. *(Math, Science)*

Imagine Math

https://lms.thinkthroughmath.com/users/sign_in

Login Required: Contact your student's teacher to obtain individual student login information. Imagine Math is an online math tutoring program provided by ACPS that adapts to your student's level of math fluency and provides live, state-credentialed teacher support when students need assistance.

IXL Math

<https://www.ixl.com/>

Login Required: Contact your student's teacher to obtain individual student login information. IXL Math is an online math program with access provided by Maury. Skills are aligned to the Virginia SOLs, providing comprehensive coverage of math concepts and applications, as well as unlimited practice questions specifically tailored to each required standard.

Reading A-Z (RAZ-Kids)

<https://www.raz-kids.com/>

Login Required: Contact your student's teacher to obtain individual student login information. RAZ-Kids is an award-winning website with access provided by Maury. Students can read hundreds of interactive, leveled books with accompanying comprehension checks.
